2. **Pretrial:** After arraignment or the scheduling conference, the Assignment Commissioner shall set the case for a pretrial conference when time allows, or as directed by the Court. All discovery and a list of potential witnesses shall be provided to the opposing party prior to the jury trial status conference. If the defendant does not obtain a valid driver's license and insurance, then the charge will not be amended. In addition, if defendant receives new charges of Driving Under Suspension, Failure to Reinstatement, or a No Operator License while in TIP, then the original charge will **not** be amended. A warrant will be issued if the violator fails to appear for disposition.

Criteria

CASE MANAGEMENT IN SPECIAL CRIMINAL PROCEEDINGS

Rule 5.01 MENTAL HEALTH DOCKET

The mental health docket of Fairborn Municipal Court is referred to as ACTS, which stands for Alternative Court Treatment and Sentencing. ACTS is a specialized program to serve defendants who suffer from mental disorders. The program's goal is to divert these defendants into court-monitored treatment which will reduce recidivism among mentally ill defendants, and empower them to lead stable, safe, and law-abiding lives. The program was established as a collaborative effort which included the Court, prosecutors, defense counsel, treatment providers, and law enforcement agencies.

Considerations for ACTS

Each referral will be considered on a case-by-case basis and analyzed to determine if the ACTS program is suitable.

If the crime involves a victim, the victim will be provided an opportunity to express an opinion as to the defendant being accepted into ACTS.

Any legal issues regarding competency to stand trial or insanity defenses must be resolved before a defendant can enter ACTS.

No prior offenses that will categorically exclude defendants from ACTS. However, each defendant's criminal history will be considered in the assessment.

A defendant currently on Community Control with Fairborn Municipal Court may be eligible.

The criteria for ACTS may be reviewed periodically by the ACTS team and may be modified. The ACTS team consists of the Judge or Magistrate, probation officers, treatment providers, the prosecutors, and defense counsel.

Procedures

- (1) Police officers, jail staff, probation officers, attorneys, Judge or Magistrate can identify a defendant who should be referred to the ACTS program.
- (2) Once a referral is made to the Court, the ACTS team, consisting of the judge or magistrate, defense counsel, prosecution, probation officer, and TCN, conducts a cursory review of the information to determine whether the defendant appears

to meet basic criteria.

- (3) If the defendant is deemed not appropriate, then the case proceeds in the traditional manner.
- (4) If the defendant appears to be a candidate and defendant agrees to participate in ACTS, then the defendant is referred for diagnostic evaluation at TCN. Evaluations are expected to be completed within two weeks of referral.
- (5) The defendant receives an evaluation from TCN Behavioral Health Services, Inc. The evaluation shall confirm whether or not defendant meets the program's clinical criteria. The evaluation should also assess the safety risk to program staff and the community.
- (6) Once the evaluation is received, the ACTS team will decide if defendant is appropriate for inclusion in the program.
- (7) If the case is deemed inappropriate, the case will proceed on the standard court docket.
- (8) If the case is deemed appropriate, defendant will decide after consulting his/her attorney whether or not to enter into ACTS. If defendant chooses not to enter into ACTS, then the case will proceed on the standard court docket.

Accepted into ACTS

Once entered into ACTS,

- (1) Defendant works with TCN, or an appropriate provider who is appropriately licensed and trained to deliver such services in accordance to the standards of their profession, to develop an Individualized Service Plan (ISP).
- (2) Defendant will review the ISP with their Counsel.
- (3) Defendant enters a plea to all charges.
- (4) Defendant, Counsel, and TCN or the appropriate provider shall complete and sign "Consent for Release and Exchange of Confidential Information" form.
- (5) The Court will find defendant guilty of all charges, but not sentence defendant after the finding guilty. Defendant shall be accepted into ACTS.
- (6) Upon successfully completing the ACTS program, the plea shall be vacated and the case dismissed with court costs.

ACTS Defendants must abide by the following:

ACTS Supervision

(1) The Court will set aside special docket sessions to review the status of defendant's compliance. Each defendant must appear for reviews, the frequency of which depends upon the client's status and level of success, but shall be at least two court reviews per month initially, unless otherwise ordered by the Court. Defense Counsel is not required to appear at these hearings, but is allowed to attend if they wish. The proceedings will occur in the courtroom before the Judge or Magistrate, but are considerably less formal than a traditional courtroom procedure. Although these proceedings are open to the public, ACTS sessions will occur outside of the court's regular criminal docket schedule to promote privacy and minimize distractions.

(2) At each appearance, the Judge or Magistrate will be given a progress report prepared by the Court's ACTS officer and the treatment team, which reviews the level of participation and compliance by defendant. The judge or magistrate will discuss progress and specific problems with the defendant. Modifications to the ISP will be discussed and ordered, and the judge or magistrate can address provider issues.

(3) If in compliance with the ISP, defendant will be rewarded. Rewards include less frequent court appearances, discharge from certain services as clinically appropriate, or increased privileges. The ultimate reward is graduating from ACTS.

(4) If defendant is not in compliance, sanctions will be imposed, which could include increasing the frequency of court reviews, community service assignments, more frequent drug screens, more restrictive housing assignment, brief incarceration, or any other sanction that the court deems appropriate. The ultimate sanction is termination from ACTS and imposition of sentence and fines. Should the Court or Magistrate consider terminating defendant from the ACTS Program, defendant and Counsel shall be provided notice of the ACTS hearing.

(5) At each court review, the Judge or Magistrate will dispense rewards or sanctions as the defendant's status and conduct indicate. ACTS seeks to be creative in its use of sanctions and rewards, mindful of the therapeutic impact on the client and the needs of the criminal justice system. Rewards and sanctions will be applied on a case-by-case basis with regard to each defendant's conduct, strengths, and limitations.

(6) The length of the ACTS program is from a minimum of one year to a maximum of two years depending on the progress of the defendant.

Opposing memoranda shall be filed no later than fourteen (14) days from the service of the motion or on the business day prior to the trial or hearing on the motion, whichever is earlier, or at such other time as set by the Court. Motions shall be deemed submitted

for consideration when the opposing memoranda are filed or the time for filing expires, whichever is earlier, or at such other time as set by the Court.

Assignment of any motion for oral hearing shall be at the discretion of the Court, unless otherwise required by law. Failure of counsel to appear for oral hearing may be deemed an abandonment of the motion.

All motions, other than a motion for summary judgment, shall be accompanied by a proposed entry written on a separate sheet of paper.

Rule 6.05 PRETRIAL CONFERENCE

In any civil action, a pretrial conference may be had upon motion of either party if it is filed at least two (2) weeks prior to the date of trial or upon the Court's own motion. Counsel and parties shall attend the pretrial conference. Counsel must have complete authority to stipulate on items of evidence and must have full settlement authority.

Counsel who fails to attend a scheduled pretrial conference, without just cause, may be punished for contempt of this Court. Any Judge or Magistrate presiding at the pretrial conference shall have the authority to dismiss the action for want of prosecution upon failure of plaintiff, and/or his counsel to appear in person.

At least seven days before the pretrial conference, the parties shall file a pretrial statement which shall include the following:

1. A brief statement of the facts of the case.
2. A statement of the issues of law involved.
3. Authorities relied upon to support the issues.
4. An outline of the exhibits.
5. The names and addresses of all expert witnesses.
6. The names and addresses of all lay witnesses.
7. An itemization of special damages.
8. An estimation of anticipated time required for trial.
9. A statement as to whether or not there will be a request for a view of the scene.
10. Copies of any special instructions requested by the attorney.
11. Any request for stipulations.
12. Any indications of settlement offers which have been discussed.

Rule 6.06 CIVIL JURY TRIAL DEMAND AND DEPOSIT

Requests for trial by jury shall be made in accordance with Civil Rule 38. In regard to restitution hearings in forcible entry and detainer actions, requests for trial by jury shall be filed at least two (2) business days prior to the scheduled hearing.

The party making a demand for jury shall at the time of the filing of the demand deposit with the Clerk the sum required by the fee schedule, or as set by the Court, unless a

poverty affidavit approved by the Court is filed in lieu of the monetary deposit.

Proposed jury instructions shall be submitted to the Court thirty (30) days prior to the scheduled jury trial or as otherwise ordered by the Court.

The failure of a party demanding a jury to comply with any of the provisions of this Rule shall constitute a waiver of jury by that party and the matter may be submitted to and decided by the Court.

Rule 6.07 NOTICE OF TRIAL

When a civil case is assigned for trial, the Clerk shall serve a notice of the time and date of trial to attorneys or parties of record and shall file a copy of such notice. The notice shall be served at least five (5) days before the date of trial in forcible entry and detainer cases and at least ten (10) days before the date of trial in all other cases, unless otherwise ordered by the Court.

Rule 6.08 SUBPOENAS

No subpoena for a witness in a civil proceeding shall be issued until the witness fee, costs, and estimated mileage are deposited with the Clerk. A witness who testifies or is available for that purpose shall receive a fee when served with a subpoena. The person issuing the subpoena will be responsible for paying the appropriate fees to the clerk at the time of the request pursuant to the Schedule of Costs. Any party filing a subpoena who requests service by the Bailiff must file the subpoena at least ten (10) business days prior to the scheduled trial or hearing, unless otherwise ordered by the Court.

Rule 6.09 DISMISSALS FOR WANT OF PROSECUTION

All cases not reduced to judgment, which have remained on the docket for six (6) months or three (3) months in Small Claims Cases without the filing of any motion, affidavit, pleading or entry shall be dismissed by the Court, at plaintiff's cost, without prejudice to a new action. This shall be done after a notice pursuant to the Rules of Civil Procedure and the Rules of Superintendence has been issued. An entry shall be filed in each case in which such action is taken.

Rule 6.10 BRIEFS

A case shall be submitted to the Judge or Magistrate for decision at the conclusion of the trial unless the parties are ordered to submit post-trial briefs.

Rule 6.11 CASES HEARD BY THE MAGISTRATE

All Civil matters are hereby referred to the Magistrate. If no objections are filed within the time provided by law as to any Magistrate decision or order, the Clerk shall forward the case to the Judge for review and preparation of a final judgment entry.

Rule 6.12 APPRAISALS AND DEPOSIT

In any case where an appraisal of chattel property is required by statute, the appraiser's fees shall be deposited by the plaintiff with the Clerk of Court.

On motion of the opposing party or at the request of the Clerk or of an officer of the Court, the Court may require the deposit to be increased so as to secure all costs that may accrue in the cause. If such security is not given after reasonable notice, the Court shall dismiss the action.

Rule 6.13 APPEAL BOND AND DEPOSIT

An appellant shall deposit as security, in addition to the appeal bond, a sum of money sufficient to include all costs before the transcript of the docket and journal entries will be prepared. All costs and deposits shall be delivered to and disbursed by the Clerk.

CASE MANAGEMENT IN CIVIL CASES

Rule 7.01 PURPOSE OF RULES

The purpose of these rules is to establish pursuant to Sup. R. 5(B) a system for civil case management which will achieve the prompt and fair disposal of civil cases.

Rule 7.02 SCHEDULING OF EVENTS

The scheduling of a case begins when a civil case is filed. Thereafter, the case is managed in three (3) clerical steps and four (4) judicial steps.

Rule 7.03 CLERICAL STEPS

1. **Summons:** Summons shall be served in accordance with the Ohio Civil Rules of Procedure. In the event there is a failure of service, the Clerk shall immediately notify counsel or the party, if pro se. If the party fails to obtain service of summons within six (6) months from the date the complaint was filed or three (3) months if a Small Claims Complaint, then the Court shall notify counsel that the case will be dismissed for lack of progress in thirty (30) days unless good cause is shown to the contrary.

2. **Responsive pleading:** After any responsive pleading or motion is filed, the Clerk shall immediately forward the pleading and file to the Judge or the Magistrate so that the matter may be set accordingly.

3. **Settlement:** When a file has been marked “settled” and the entry has not been received within fourteen (14) days of said notice, then the Court shall notify the party that the case will be dismissed unless the entry is received within an additional fourteen (14) days from the date of the notice. Failure to respond and file the appropriate paperwork will result in the case being dismissed without prejudice at plaintiff’s costs.

Rule 7.04 JUDICIAL STEPS

1. **Pretrial Hearing:** After an Answer is filed, the case will be assigned to the Judge or Magistrate and the Clerk will forward the file to the Assignment Commissioner who will schedule a pretrial hearing. Notice of the pretrial conference shall be given to all counsel of record by mail and/or e-mail notice from the Assignment Commissioner.

2. **Motions:** All motions must be in writing and accompanied by a written memorandum containing the arguments and related citations. The opposing party or counsel shall answer in like manner within fourteen (14) days thereafter from the date the motion is filed. All motions will be considered submitted at the end of said fourteen (14) day period unless time is extended by the Court. There will be no oral hearings granted on the motions unless the parties request an oral hearing in writing and the Court deems it necessary or if required by Rules of Civil Procedure.

3. **Trial:** Each case not resolved at pretrial conference shall be set for trial to the Judge or Magistrate. If a jury demand and deposit is timely filed, then the case will be moved to the jury trial schedule. All attorneys or pro se parties shall notify the Court by 1:00 p.m. of the business day preceding the jury trial of any settlement. Failure to do so may result in jury costs being assessed.

4. **Judgment Entry:** The Court shall prepare all entries for contested matters unless it orders otherwise. Entries of settlement may be filed at any time. The avoidance of trial by settlement shall be allowed without the filing of an entry, but an entry shall be filed within twenty-eight (28) days of notifying the Court of the settlement. The journal entry shall state which party will pay the court costs. Failure to provide the entry within said twenty-eight (28) day time period will result in the case being dismissed without prejudice at plaintiff's costs, unless otherwise ordered by the Court.

CASE MANAGEMENT IN SPECIAL CIVIL PROCEEDINGS

Rule 8.01 PURPOSE

The purpose of this rule is to establish, pursuant to Sup. R. 5(B), a case management system for special proceedings to achieve a prompt and fair disposition of these matters. The following civil matters are considered special proceedings and may be heard by a Judge or Magistrate: small claims, forcible entry and detainer, default hearings, rent escrow, replevin, BMV hearings, garnishment hearings, and debtor's exams.

Rule 8.02 SCHEDULING OF EVENTS

Cases that have time limits established by the Ohio Revised Code shall be set within those time limits for hearing. In all other special proceedings, the case shall be set for hearing within a reasonable time not to exceed ninety (90) days.

Rule 8.03 CLERICAL STEPS

1. **Summons:** Summons shall be served in accordance with the Ohio Civil Rules of Procedure. In the event there is a failure of service, the Clerk shall notify counsel or the party, if pro se, immediately. If the party fails to obtain service of summons within six (6) months from the date the complaint has been filed or within three (3) months for Small Claims cases, then the Court shall notify counsel that the case will be dismissed in thirty (30) days unless good cause is shown to the contrary. For small claims cases and forcible entry and detainer cases, the clerk shall set the matter for trial upon the filing of the Complaint and provide notice of the trial or hearing with the Complaint and Summons.

2. **Pleadings:** After any responsive pleading or motion is filed, the Clerk shall immediately forward the pleading and file to the Judge or the Magistrate so that the matter may be set accordingly.

3. **Settlement:** When a file has been marked "settled" and the entry has not been received within fourteen (14) days, then the clerk shall immediately notify the Judge or Magistrate. The Court shall then notify the party that his case will be dismissed unless the entry is received within an additional fourteen (14) days. Failure to respond and file the appropriate paperwork will result in the case being dismissed without prejudice at plaintiff's costs, unless otherwise ordered by the Court.

Rule 8.04 FORCIBLE ENTRY & DETAINER HEARINGS

1. **Hearings:** All forcible entry and detainer cases shall be set for hearing before the Judge or Magistrate pursuant to the time limits set forth in the Ohio Revised Code. If defendant should fail to appear at the hearing, the Judge or Magistrate shall proceed to hear the case so long as plaintiff or plaintiff's agent appears to testify as to personal

knowledge of the facts concerning the forcible entry and detainer. If a pro se plaintiff or plaintiff's attorney fails to appear for the hearing, the case may be dismissed or the request for restitution denied.

2. **Objections:** Any objection to the magistrate's decision or order shall be made pursuant to Civil Rule 53. The opposing party shall have ten (10) days from the date the objection is filed to respond to the objection, unless otherwise ordered by the Court. No oral hearings will be granted unless ordered by the Court.

3. **Writs:** Whenever a writ is filed in a forcible entry and detainer action, the attorney or the party who submitted the writ shall provide the Clerk with the filing fee pursuant to the fee schedule.

Rent 8.05 RENT ESCROW

If the landlord does not request a hearing within two (2) months from the date of the filing of an escrow petition, the Clerk shall set the matter for a hearing at the expiration of the two (2) months.

Rule 8.06 SMALL CLAIMS COURT

A small claims action is commenced by filing a small claims petition, pursuant to Ohio Revised Code section 1925.04. A Defendant is not required to file an answer or statement of defense. However, should the defendant fail to appear for the hearing, after being duly served, then a judgment may be entered against the defendant. All pleadings will be construed to accomplish substantial justice. Counterclaims or cross claims must be filed and served at least seven (7) days prior to the hearing.

Upon filing of motion and affidavit, as required by Ohio Revised section 1925.10, and upon payment of the required costs, the small claims case shall be transferred to the regular docket. No transfer will be granted until the filing costs are paid.

1. **Hearing:** The hearing in small claims court shall be conducted by the Judge or Magistrate. The plaintiff and defendant may subpoena and call witnesses if they desire to do so. The Ohio Rules of Evidence and the Ohio Rules of Civil Procedure will apply to a hearing in small claims court as deemed appropriate by statute.

2. **Objections:** Any objection to the Magistrate's decision or order shall be made pursuant to Civil Rule 53. The opposing party shall have ten (10) days from the date the objection is filed to respond unless otherwise ordered by the Court. No oral hearing will be granted unless ordered by the Court.

3. **Collection of Judgments:** The Clerk shall assist the prevailing party in collecting his judgment as provided for in Ohio Revised Code section 1925.13.

Rule 8.07 AID OF EXECUTION

When filing any execution, the party shall provide one copy for each party to be served

and one copy for the Clerk. Orders in aid of execution shall be served and scheduled in the same manner as appearance cases.

In the event the Plaintiff or his attorney fails to appear for the examination of a debtor, the presence of the party shall be noted on the docket and the party excused.

Rule 8.08 SALES AND CONFIRMATION

A copy of the notice of the sale of personal property shall be served by the Bailiff to the parties and to attorneys of record in the case. However, failure to serve such notice shall not invalidate the sale. It is the responsibility of the party demanding the sale to cause advertisement of such in a newspaper of general circulation and pay the costs for same. Proof of publication shall be filed with the Clerk. Entries of confirmation and distribution shall be prepared by the party who requested the sale and shall contain a statement that the sale was regular and proper in every respect unless otherwise directed by the Court and also a statement of the balance, if any, still due on the judgment.

Rule 8.08 TRUSTEESHIPS

1. **Application:** The application for an appointment of a trustee shall include a complete and accurate statement, under oath, of: the debtor's name and address; name and address of all employers; and a list indicating the names, addresses, account numbers, and amount owing to all creditors. Attached to the application should be a copy of the demand of garnishment of personal earnings and proof of last thirty (30) days of gross earnings.

The attorney for the debtor or the debtor shall provide the Clerk with an additional copy of the application for each creditor listed in the application. The Clerk shall set the matter for a hearing. The Clerk shall send, by certified mail, a copy of the application and a hearing notice to each listed creditor.

Each notice shall contain the time and place of a hearing that objections to the application shall be heard. Additional creditors may be listed in the trusteeship only upon application and service of a notice to each additional creditor.

2. **Distribution:** The trustee shall distribute funds only to a creditor or the creditor's attorney who has verified the debt and amount owed. The Clerk shall supervise cash payments of the debtor and distribute funds on a quarterly basis. The Clerk may refuse to accept payment from the debtor if it not the amount required by law.

3. **Dismissal:** If payments are not made when due, the trusteeship shall be dismissed and the money distributed. A dismissal shall make the debtor ineligible for filing a new application for a period of six (6) months.

Rule 8.09 REQUESTS FOR DRIVING PRIVILEGES/APPEALS OF 12 POINT SUSPENSIONS

All requests for driving privileges and appeals of 12 point suspensions shall contain the following information: Petitioner's date of birth, last 4 digits of the petitioner's Social Security number, and Driver's License number. All requests shall be set for a pretrial conference. Petitioner's failure to appear could result in denial of the request or appeal.

JURY MANAGEMENT

Rule 9.01 JURY COMMISSION

The Clerk of Court shall designate a deputy clerk as the jury commissioner. Jurors shall be chosen by the jury commissioner as generally provided for in Ohio Revised Code Section 1901.25.

Jurors are to be selected at random from a computerized list of legal voters provided by the Greene County Board of Elections. Unless otherwise ordered by the Court, all service upon persons summoned for jury duty shall be by ordinary first class mail.

If at trial the panel of prospective jurors is exhausted, the Judge may order same filled by directing a Bailiff to summon bystanders or other electors of the jurisdiction of the Court.

Jurors who have served on a jury for this Court will not be summoned or required to serve as a juror again within two (2) years of the date of their jury service.

Rule 9.03 REMOVAL FROM THE JURY PANEL FOR CAUSE

To reduce the time required for voir dire, basic background information regarding panel members will be made available to counsel, upon request, the week of the scheduled jury trial. The Court will conduct a preliminary voir dire examination. Counsel shall then be permitted to query panel members for a reasonable period of time.

If the Court determines during the voir dire process that any individual is unable or unwilling to hear the case fairly and impartially, that individual shall be removed from the panel for cause. Such a determination may be made on motion of counsel or by the Court.

Rule 9.04 PEREMPTORY CHALLENGES

Peremptory challenges should be limited to a number no larger than necessary to provide reasonable assurance of obtaining an unbiased jury. In criminal and civil cases,

the number of peremptory challenges shall not exceed three for each side.
